

THE FCC SHOULD PROTECT XM SATELLITE RADIO AGAINST THE STRONG ARMED TACTICS OF THE NATIONAL ASSOCIATION OF BROADCASTERS TO PREVENT XM RADIO FROM PROVIDING WEATHER AND TRAFFIC INFORMATION.

THE FCC NEEDS TO TELL THESE BIG DOLLAR ASSOCIATIONS AND THEIR LOBBYISTS TO TREAT OTHER BROADCAST OUTLETS THE WAY THEY WANT TO BE TREATED.

I'M SICK AND TIRED OF THE CORPORATE BULLYISM AND THE LOBBYISTS TRYING TO SUPPORT A CAUSE BY STUFFING THE POCKETS OF OUR REPRESENTATIVES.
